POLICE FORCE,
DETECTIVE BRANCH.

Shanghai Municipal Council.

June 27th

1916.

Sir,

It is reported that the Navy and the Kourmintang party in Shanghai are working in unison. Several telegrams have been sent to Li Yuan Hung demanding the restoration of the Provisional constitution and the punishment of the monarchical plotters.

With reference to the arrest of a city shopkeeper named Li Dah Foo for having bombs in his house which he alleged were sent to him in two baskets of straw berries several merchants in the City have petitioned Military Governor Yang saying that the charge is false and that the evidence has been fabricated by detectives. In consequence of this petition General Yang has decided to try the case himself.

It is reported that a fifth of the Arsenal employees who are not soldiers will be dismissed from 1st prox.

One hundred recruits for the local police arrived here to-day from the North.

Your Obedient Servant,

Chief Detective Inspector.

Captain Superintendent of Police.

Shanghai Municipal Council.

June 27th

1913.

Sir,

The Declaration issued by the Commanders of the Chinese anti-war, appears to be due to a determination to get rid of Liu Hwe Yung 刘 胡 雍 who was a supporter of the Monarchical movement and who did many things which were displeasing to the parties of the South.

He also was instrumental in bringing about the removal of Admiral Lee Ting Sun 李 鼎 铭 on account of the Chasht incident and Admiral Lee who since the death of Yuan Shih Kai has been restored to his former post is now endeavoring to bring about the dismissal of Liu who has a bad reputation and who as a Minister is most incompetent.

Your obedient servant,
